School Policies

Tuition Policy

Yearly tuition is broken into equal monthly payments. Each payment covers classes during the month whether there are three, four, or five classes during that period. There will be no refunds for missed classes, and no partial payments will be accepted.

Tuition is due the first week of each month. Payments may be made online or by cash, check, or credit card at the office. Please retain your receipts. There will be a \$3.00 fee for credit card payments by phone, and a \$20.00 fee for returned checks.

If we have not received your tuition by the 15th of the month, a billing statement will be issued along with a \$5.00 billing fee. We are now going paperless. Please make sure we have a proper e-mail address for your account.

Withdrawal Policy

Our 2019- 2020 program runs from September through June. Once registered you are considered enrolled throughout that period. If for any reason you wish to withdraw your child from class, it is your responsibility to submit a completed withdrawal card, or notify our office by letter or e-mail. Withdrawal notices must be made no later than fourteen days before the beginning of the month you wish to withdraw. All students will be considered enrolled and responsible for tuition until our office is notified in the above manner.
